

The Crusader News

St. Paul's student-run newspaper, The Crusader News, publishes 4 professionally-printed, full-colour newspaper issues each academic year. Please consider joining the News Cru!

You could be a writer, a reporter, a graphic artist, a photographer, a puzzler, or a layout designer. There is nothing quite like seeing your name in print — it endures forever and it looks fantastic on your résumé.

If you are interested, pay keen attention to daily announcements in the next couple weeks and look for notifications about our first general meeting at lunch on Monday, September 25 (location to be announced).
