Re: Parent Advisory Board

Peace of Christ!

The Parent Advisory Board for 2025–2026 was elected at the Parent Guild Annual General Meeting. This board consists of three parents with sons currently at the school, and they will serve in this role until the next election at the 2026 Parent Guild AGM. The Parent Advisory Board serves as a liaison with the St. Paul's High School Board of Directors and is available to assist with questions or concerns you may wish to raise.

Please note that the Parent Advisory Board does not replace the normal process of communication between parents, teachers, staff, administration, and the President. The principal and vice-principals remain responsible for the day-to-day operation of the school. If you have an issue that you feel should be brought to the attention of the Board of Directors, you may contact the Parent Advisory Board. Concerns should be submitted in writing, signed, and include your contact information. Please address correspondence to:

The school office will ensure the Parent Advisory Board receives your letter.

Should you have any questions or concerns, please feel free to contact me by phone or email at the school.

Sincerely,

Bob Lewin

Interim President
