

# **Protocol for Home Game Spectators**

## **St. Paul's High School**

Effective Date – October 20, 2021

This protocol will be reviewed on an ongoing basis in accordance with public health orders.

### **Indoor Games**

**Only parents/guardians/family members of St. Paul's High School team participants involved in competition will be permitted as spectators.**

- **A limit of two spectators per participant is strongly recommended.**
- **Family members under the age of 18 must be accompanied by a parent/guardian.**
- **Spectators will be admitted approximately 10 minutes prior to game time.**

**Spectators require proof of immunization and matching photo ID to enter.**

Children aged 11 and under are able to attend with an adult that has presented valid proof of immunization that matches their photo ID. Children aged 11 and under are not required to provide photo ID. Children aged 12 and older are required to present valid proof of immunization as indicated above. Photo ID is encouraged but is not required.

School officials, or a volunteer appointed by school administration, will scan the QR code, or verify valid proof of immunization and will only allow entry following a valid result that matches the photo ID provided.

**St. Paul's High School reserves the right to restrict entry based on site capacity as determined through consultation with public health officials.**
