DIRECTOR'S NOTE

Welcome to the magnificent, munificent, beneficent land of the Wizard of Oz,

I am thrilled to be able to bring the story of the Wizard of Oz to life on the St. Paul's High School stage. This whimsical tale is a favourite to many and was only made possible due to the unwavering commitment of the cast and crew of our dramatic society.

Thank you to all our students, staff, and friends who have spent countless hours preparing for this incredible show. Without your dedication to building sets, fixing costumes, and rehearsing lines after lines after lines. Without you, I am simply a little woman behind a green curtain.

So please, sit back, and let us take you on a journey down the yellow brick road.

- Ms. Jennifer Walker
(Drama Program Coordinator and Director)
