

Greetings Parents and Guardians,

This year's Student Council is pleased to announce the 47th Walk will be held on **Thursday, September 18th at St. Paul's High School**. This is an annual fundraiser that brings together students from St. Paul's High School, St. Mary's Academy and Balmoral Hall. The Walk is an all-day event (9:00 am - 2:15 pm) that begins with attendance at St. Paul's, a walk through Assiniboine Park, and concludes with entertainment and activities at St. Paul's High School. Along the Walk route there will be refreshments and games. Upon returning, students can purchase food from the St. Paul's cafeteria or attending food trucks, watch this year's entertainer, participate in a variety of games, bounce on inflatables, and more!

This event includes all students in Grades 9-12 from St. Paul's, St. Mary's Academy and Balmoral Hall School. To help make this event possible, a \$13 fee will be required from all St. Paul's students. The fee will help cover the cost of refreshments along the route, as well as the entertainment and activities throughout the day. A link at the end of this letter for the Permission Click form will allow parents/guardians to grant permission for their son(s) to participate in The Walk, sign a waiver/acknowledgement of risk form on their behalf, place an optional order for a 2025 Walk sweater (\$25), and pay the \$13 Walk participation fee. The link can also be found on the St. Paul's News page. Payments are only available to be made through Permission Click, no cash or cheque payments will be accepted unless there are extenuating circumstances. If there are, please contact Keana Rellinger (krellinger@stpauls.mb.ca) to assist with registration and payment. **Registration and payment is due on Friday, September 12th, 2025.** *Please note, if the deadline is missed, students are subject to discipline penalties for 'missed deadline' or 'missed appointment'. Students not registered will be unable to attend the day's events.*

Student Council has chosen the Terry Fox Foundation as this year's recipient of The Walk donations, supporting their 45th anniversary! The Walk is registered as a Terry Fox Foundation event alongside other schools across Canada. Attached to this letter is a **printable pledge form** and a **link to the St. Paul's X Terry Fox event page** for students to fundraise from their networks. For fundraising online, students can share the SPHS page or create a personal page attached to the event if they have an individual fundraising goal. Fundraising is optional but any amount of participation is greatly encouraged and appreciated with 100% of the funds collected given directly to the Terry Fox Foundation. If collecting in person, please make all cheques payable to "The Terry Fox Foundation". Students who collect \$120 or more in pledges will receive a free Walk sweater (sizes are first come, first served). Completed pledge forms can be brought to Ms. Rellinger. If this \$120 is donated online or through a combination of the two, students will still need to report in person to Ms. Rellinger with a list of who donated on their behalf or show evidence of their fundraising on a personal page. We ask that all fundraising totals qualifying for a sweater are brought to Ms. Rellinger in Rm. 127 no later than **Friday, September 12th, 2025**.

WHO WAS TERRY FOX?

Terry was born in Winnipeg, MB and raised in Port Coquitlam, BC with brothers Fred and Darrell and sister Judith. At age 18 he was diagnosed with osteogenic sarcoma (a type of bone cancer) in his right leg, which led to the leg being amputated above the knee. For some people, losing a leg might seem like the end of everything. But for Terry, it was the start of everything.

During his 18 months of treatment, Terry met many people also facing cancer, including children. He wanted to do something to help so he decided to run across Canada to raise money for cancer research. He called his run the Marathon of Hope.

Terry wasn't much older than you when he set this bold goal to help others. What goals will you set for yourself?
