

Office of the President

To All Parents:

Re: Parent Advisory Board

Peace of Christ! Earlier this year the Parent Advisory Board was elected at the Parent Guild Annual General Meeting. The Parent Advisory Board is made up of three parents of sons currently at the school. These three parents will serve in this capacity until the election at next year's Parent Guild Annual General Meeting. The Parent Advisory Board is a liaison with the SPHS Board of Directors and they are available to assist with questions or concerns that you may have.

The Parent Advisory Board does not replace the normal process for communication between parents, teachers, staff, administration and the President. The school's Administration is responsible for the normal day-to-day running of St. Paul's High School. However, if there are any issues you feel should be brought to the attention of the Board of Directors, then you may contact the Parent Advisory Board. Please put your concern in writing, sign the letter and address it to St. Paul's High School, Parent Advisory Board. The school office will see that the Parent Board Advisory Members receive the envelope.

Should you have any question or concerns, please call me or email me at the school.

Sincerely,

Kevin Booth
President
